2022 SPONSORSHIP & BENEFITS

OUR PROGRAMS

NEW CONSTRUCTION

Austin Habitat for Humanity builds new homes in partnership with qualifying partner families and the community in Bastrop, Blanco, Caldwell, Hays, and Travis counties. The homes are sold with an affordable mortgage to provide families the opportunity to be successful, long-term homeowners. This program is not just about owning a house, it's about having a home, building communities, and providing a platform for success.

ReSTORE

Austin Habitat for Humanity opened the nation's first ReStore, a home improvement store and donation center, in 1992 to support its mission. Located in Austin and San Marcos as well as online, Austin Habitat ReStores accept and sell new and used furniture, appliances, building materials, and home goods to the public at a fraction of the retail price. Local residents and businesses play a key role with every purchase and donation helping Central Texas families and the environment.

CRITICAL HOME REPAIR

The Home Repair Program fills an important need by alleviating substandard living conditions for homeowners and their families through critical home repairs. This program typically serves seniors, veterans and people with disabilities who have limited resources to complete the repairs themselves, helping them remain independent.

AFFORDABLE HOUSING PARTNERSHIPS & CONSULTING

HomeBase is a 501(c)(3) subsidiary organization of Austin Habitat for Humanity. HomeBase expands upon the traditional Habitat model as a supporting entity, serving as a hub to connect qualified buyers, affordable financing, city programs and funding, and builders/developers with affordable units for sale.

HOUSING & FINANCIAL COUNSELING

Our Housing & Financial Counseling Program works with individuals and families to help them gain financial stability. This program fosters financial management skills including repairing credit, reducing debt, adhering to a budget, preventing foreclosure, avoiding predatory lending practices and more.

ADVOCACY

Austin Habitat for Humanity is at the forefront of policy and research around affordable housing and community development. As a voice for those in need of safe and affordable housing, we partner with multiple government, non-profit and community entities to reform laws and policies in a non-confrontational, non-partisan way.

WHY WE BUILD

Austin Habitat for Humanity brings people together to build homes, communities and hope. At the heart of our mission is creating meaningful connections between individuals, organizations, businesses, and the community because together we're stronger. When you volunteer with Austin Habitat you strengthen your connection to the local community by helping a deserving and hardworking neighbor achieve the dream of owning a home.

NO SKILLS REQUIRED

Our expert team will teach you everything you need to know.

WHERE WE BUILD

We serve Travis, Bastrop, Caldwell, Hays and Blanco counties. We are currently building in Hays & Travis Counties.

PANEL BUILD Sponsorship \$10,000

Only 3 available!

Panel Builds allow up to 60 volunteers to participate in building the interior and exterior house walls of an Austin Habitat home. Convenient for large groups, because we bring the construction to your organization. We supply the building materials, tools, safety equipment, and professional supervision; you supply the volunteers and a space to build.
